

## **The Rotary Club of Hornsea and East Riding Application for Funding**

*This form is to be completed by any individual or organisation wishing to request monies from The Rotary Club of Hornsea & East Riding.*

### **ABOUT US!**

The Rotary Club of Hornsea and East Riding was formed in 1992.

We are a friendly, fully inclusive and extremely active Rotary Club which follows Rotary's principles of Opportunities for Service.

These avenues of service include:

- a: Club fellowship to ensure the Club is functioning effectively.
- b: Members practising high ethical standards to achieve the Club's objectives.
- c: The support of projects and activities to improve life within the Club's community.
- d: The support of Rotary's humanitarian reach around the globe and to promote world understanding and peace.
- e: Promoting the goals of young people through leadership development, service projects and exchange programmes.

The Club raises large amounts of money for donation to individuals and organisations at local, national and international levels.

Funds are raised by the hard work of the Club members who regularly organise fundraising events in Hornsea and the surrounding areas.

Club members need to have as much information as possible when considering requests and will refer to the Principles of Service, to ascertain that requests meet the requirements as stated, and are made aware of other fundraising activities pursued by the applicant.

The Club may invite you to come and discuss your application further at one of our Monday evening meetings.

*Please complete this form in as much detail as possible (preferably typed) and return the completed copy by either email or post to the address at the end of the form.*

*Please note that the Club holds a Business Meeting once a month where all applications are discussed.*
