

## The Rotary Club of Hornsea and East Riding

Our club has continued to meet via Zoom but it is hoped that Face to Face meetings can start soon, subject to no changes in the Government Road Map.

All Charities and Community Groups have struggled to raise funds because of the Covid Pandemic and Hornsea Rotary Club has been no exception

Our club has had to cancel the Annual Hornsea Third Run in both 2020 and 2021 but thanks to many of the registered runners and 3 of our sponsors we were able to donate a magnificent sum of £3500 to the Marie Curie Charity which has always been the major recipient of funds raised by the Hornsea Third.

Working with the Marie Curie Charity our club has embraced a new fund-raising initiative which involves Dexter and Mason who manufacture and sell luxury candles

The owner of the company is a supporter of Marie Curie and has produced a luxury Narcissus candle and reed diffuser. For every Narcissus candle sold £9 goes to support Marie Curie and for every Reed Diffuser £12 goes to Marie Curie.

The link to the Web page of Dexter and Mason is:

<https://dexterandmason.com/product/marie-curie-narcissus/>

Marie Curie are delighted that luxury candle makers

## Dexter & Mason

have launched a lovely new candle, Narcissus, to help raise vital funds for the charity

The delicious fresh and Spring-like fragrance is inspired by the charity's much-loved daffodil - it'd make an ideal gift for a loved one or why not treat yourself? The lovely folk at Dexter & Mason have also created a reed diffuser with the same beautiful scent.

DEXTER & MASON

Both the candle and reed diffuser are available on the Dexter & Mason website in the 'Special Editions' section at

[www.dexterandmason.com](http://www.dexterandmason.com)

for each candle they sell, Dexter & Mason will generously donate £9 to Marie Curie, and £12 for each reed diffuser sold.

Your support means the world to us because it means our Marie Curie nurses and frontline staff can continue to be there to offer much-needed expert care and support to families when it is needed most. Thank you.
